- A message will display confirming you've been added to the list.
- A countdown timer will also be displayed showing how much time you have remaining to arrive at the poker room. If the timer runs out, your name will be automatically removed from the wait list.
- If you need to cancel your registration, click the "Cancel" button to remove your name from all lists.
- If you need to make any changes to your registrations, click "View List" to add or remove your name from one or more game wait lists.
- The "Arrived" button will show as "Grey" until you have arrived on property. Once you have reached the poker room, the "Arrived" button will show as green and you can click it to alert the staff you are on property. This will automatically update your status on the wait list from "Online" to "In-Person".
